Yejamans Mallikarjuniah and two others who are stated to be responsible for the utsava, have filed a written statement to the effect that the matter is of a civil nature, that some civil rights are involved in the case and their statement if made, might go against him.

The Dy Commr observes that the enquiry now conducted is incomplete that if it is a detailed enquiry, it becomes that the attempt to convey Gauri and Ganesha idols in Addapalaki is against manual, action will have to be taken under the Police Regulation to stop it, and seeks instructions in the matter.

It is not clear whether the utsava complained of, was conducted by the Lingayats may the Dy Commr be asked to complete his enquiry and submit a detailed report for orders of Govt?

the Maharaja of Mysore, Muzarai Department.

Sir,

With reference to Muzarai Superintendent's letter No.670 dated 6/8th January 1917 forwarding for disposal, the petitions from the inhabitants of Channapatna through the Agent of the Sri Sringeri Mutt protesting against the action of the Lingayets of the place in having conveyed Gowri and Ganesha idols in Addapalaki contrary to the mamool, I have the honour to state that the Sub Division Officer, Closepet Division, who was asked to enquire and report, reports that the Managers of the Basavangudi who are responsible for the procession complained of, have given a written statement dated 2nd May 1917, to the effect that the subject is one of a Civil nature, that their statements if made, might go against them and that some civil rights have been involved in the case under reference. It is presumed from the above that the procession was conducted in the manner alleged in the petition, and that the counterpetitioners desire that the matter be left to a Civil Court for decision, The enquiry now conducted by the Sub Division Officer is not complete; but from a detailed enquiry it be found that the attempt to convey the Gowri and Ganesha idols by the Lingayets in Addapalaki is against the mamool, as alleged in the petition - action will have to be taken under the Police Regulation to stop it. I request that instructions may kindly be given in the matter.
